

# Partnering Profile for Hanalani Schools

form **DO-01**  
year **16-17**

Parent and grandparent volunteers are an essential partnership at all levels of our school. Volunteering provides a much-appreciated service that is required to keep our school running smoothly. Opportunities to volunteer are communicated mostly through email, but also flyers and newsletters. We would like to encourage you to get involved whenever possible. By volunteering, not only are you helping the school community, but you are modeling for your child how to give back.

## Ready to volunteer? Great!

Complete this form and submit it with any documents you need to return to the school.
